You can register online by visiting www.kairos-na.org. Click on the "2008 YES Retreat" link and you'll be able to access everything you need to register for the retreat. The instructions are easy to follow. Your registration is not complete until we have received your payment and parental consent forms. These must be postmarked no later than March 13th.

You can also register with a hard copy as in previous years. These registration forms are available through your community, your youth group leader or on-line at www.kairos-na.org. You will need Adobe Reader in order to print this form. [Adobe Reader is available here.](#)

Should you have difficulty paying for your child to attend, please contact your community coordinator or your local youth leader. We do not want finances to keep youth away from YES! 2008.

By signing the Medical Information Form you consent to your child being under the supervision of the above-named "Supervising Adults" for the duration of the event. You also authorize them or any adult they designate as a supervising adult, to secure emergency medical and surgical treatment and to provide routine, non-surgical medical care for your minor child while attending the event.

Please join us in praying that the Lord would move all who attend YES! 2008 to a deeper love for him and a fuller conversion of their lives to his will.
